Wetlands: A Stream Study

April- October

**Brownies, Juniors,
Cadettes & Seniors**

Join our staff and explore
the urban wetland area!

Discover what makes a
stream healthy and explore our local water
habitat. Use scoop nets to collect stream
animals and identify the specimen
collected. This program emphasizes
stream ecology and the importance of
maintaining diversity and water quality.

Tour will complete requirements for #1 of
Eco-Explorer try-it,
#1 of Water Everywhere
try-it, #6 of Water Wonders badge,
#2 & #3 of Earth Connections badge.

20 girls maximum.

Minimum payment of \$42.00 for 7 girls.

Each additional girl is \$5.00.

One adult free for every 4 girls.

Additional adults \$4.00.

****NOTE: When planning participation
in this program, troop leaders MUST
review Safety Wise procedures for
wading in a creek.**

Super Science Nights for Brownies and Juniors

Brownie Super Science Night

November 14th from 5:00pm-8:00pm.

Hands-on science activities will complete the Science Wonders and Science-In-Action try-its. We will also complete some of the requirements from the Animal and Earth and Sky try-its. Explore science, search for ancient sea creatures and investigate physics at the Super Slide! *Call for a reservation by November 7th.*

Junior Super Science Night

January 23rd from 5:00pm-8:00pm.

Enjoy hands-on science fun! Earn the Science Sleuth badge and explore science as girls complete some requirements for the following badges: Water Wonders, Science Discovery, and Making It Matter. Additional resources are provided for leaders to complete the other requirements. *Call 890-2300 to make a reservation by January 16th.*

**\$6.00 per girl
one adult free for every 5 girls.**

All Girl Scout programs require reservations and a non-refundable \$25 deposit.
