

I wish I may, I wish I might

Did you know that Discovery Center shines on just because of you?

We need your help to continue lighting up the lives of children and families ... inspiring them to learn, to grow and to succeed. So, we're wishing on a star! Your star, actually!

For a **\$100** donation, join our galaxy of Super Donors and have a star with your family name on it in the museum entryway.

If you'd like to help us even more, become a "Big Dipper" at the **\$1,000** level, and we will hang a giant super nova five-point star in your name.

If you can be a donor of **\$5,000** or more - we will name the whole galaxy after you!

We wish you and yours a constellation of happy memories at the Discovery Center and a galaxy filled with equal parts wonder and wisdom.

YES! I'd like to be a Discovery Center Star!
